

IMPORTANT CUSTOMER COMMUNICATION

I am writing to share some exciting news about the future of ADGGP. After 21 wonderful years of serving our community, I have decided it is time to retire.

However, I am thrilled to announce that as of May 1, 2026 ADGGP will be under new ownership, passing to Julie McIntyre with Zoomie Zone.

What does this mean to you?

- Julie shares our passion for the love of all animals. And in fact, is responsible for most of our fosters that we have adopted out. She has a way of finding animals that need help and knows how to find them great homes.
- Quality service, will continue offering all our services
- All purchases previously made will be honored and completed by the new ownership without interruption.
- All ADGGP team members will remain at ADGGP. All the friendly faces you have come to know and love you will still get to see daily.
- Julie's wealth of experience in business and animal care means she is committed to supporting our loyal customers.

Phone numbers, web sites and email addresses will ALL REMAIN THE SAME! Make reservations, purchase passes and continue to use our online system!

I am confident that ADGGP is in great hands. I want to thank you sincerely for your support, loyalty, and dogs/pups over the years. It was a pleasure!

Warm regards, Lynn McAward
